a. Restrict the acquisition of vehicles to their specific types, capacities, and quantities as authorized in the approved Station TVA.

b. Acquire vehicles in accordance with the provisions of reference (h). Paragraph 4.d. of reference (h) prescribes a limitation not to exceed \$2,000.00 for an item of local purchase. Accordingly, Headquarters approval shall be obtained prior to effecting procurement of any vehicle for which the cost will exceed \$2,000.00. Used vehicles will be acquired only when justified by reasons of security.

c. Provide for inspection of all vehicles acquired under this delegation of authority in accordance with the provisions of references (d) and (e).

d. Establish and enforce internal procedures whereby essential information pertaining to inspection, operation, and maintenance of vehicles is recorded and filed.

e. Determine eligibility for disposal of vehicles in accordance with standards established by reference (e).

f. Replace vehicles when it is determined that the cost of repairs or rebuild will exceed the allowances established by references (b) and (e).

g. Dispose of vehicles which meet replacement standards in accordance with the provisions of reference (g).

h. Institute notification by dispatch to Headquarters within 30 days following the date of acquisition or disposition of a vehicle. The notification will contain the following:

(1) A complete description of the vehicle using standard nomenclature as outlined in figure 1. of reference (f).

(2) Make of vehicle.

(3) If a vehicle is disposed of, the proceeds from sale and the MV number.

CIR - 12533  
PAG 3

(4) IF a vehicle is acquired, the purchase cost and a request for assignment of an HV number by Headquarters.
